To Whom It May Concern:

Pepin Distributing has been using "JEP-14 Degreaser/Cleanser" for over 8 years now. We run an Anheuser-Busch Distributorship in Tampa, Florida which requires us to scrub our 120,000 sq ft of warehouse flooring daily. We use the solution in our Tennant floor scrubber. In addition we have used it to clean the exterior of our 3 motor coaches which we use for entertaining and many other spot cleanups.

We recommend using it for your cleaning solutions. Feel free to call for more information.

A handwritten signature in black ink that reads 'Glenn Arose'. The signature is fluid and cursive, with the first name 'Glenn' and last name 'Arose' clearly legible.
